REASONS TO BUY USA MADE PRODUCTS

Customers Prefer USA Made Products

- True American Craftsmanship - attention to detail & quality
- User is sensitive to the employment and economic situation in the community or target market
- User may be competing against imports in his own market
- Union requirement for Made in USA
- Military/Government requirements for Made in USA

Customization - Products Made Uniquely for your Customer

- Flexible in design to meet price point or function
- Lower minimums
- Quicker Turnaround than Importing
- Larger selection of colors, materials, trims
- Decoration options are more flexible as part of the manufacturing process
- Product can be made to client's specifications at lower quantities and produced more quickly
- Qualified customer service to communicate options and maintain surveillance from conceptual design through final assembly

No "Out of Stock" Situations

USA Supplier has total control of the manufacturing process

- Supplier complies with U.S. employment and product safety laws
- No danger of repercussions from product produced in substandard working environment

FOUNDERS' STATEMENT

Cross Canvas has been crafting top quality bags in the USA for over 30 years. Over this time, contrary to the current global trend, we have tightened our quality standards and have carefully chosen only the best raw materials to constantly improve our final product. Along the way, careful measures have been taken to ensure that a Cross Canvas product made today maintains the tradition of quality our customers have come to expect.

Custom Step & Repeat Printing

TAKE THE NEXT STEP IN CUSTOM BAG DECORATION

Using our large format screen print press we are able to print outside and/or the inside lining panels with an edge to print prior to construction of the bag. This adds a high level of customization rarely seen in small to medium sized production runs. This decoration process may be added to most bags shown in this catalog. Generally, this is limited to a 1 color imprint.

Examples Shown:

- Tone on Tone
- Contrast Printing

Fabric Information

Most of the Cross Canvas bag styles are available in a variety of fabric and color combinations. Budget, application, appearance and customer preference are a consideration in selecting the appropriate fabric. Many color options are available. We can source other colors and fabric options for you.

“DYED” 18 oz. 100% Cotton Canvas (Water Repellent, Dye Lots May Vary)

Colors also available in 10 oz.

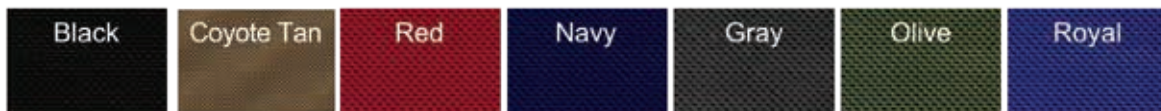

“NATURAL” 100% Cotton Canvas (Natural, Earth Friendly)

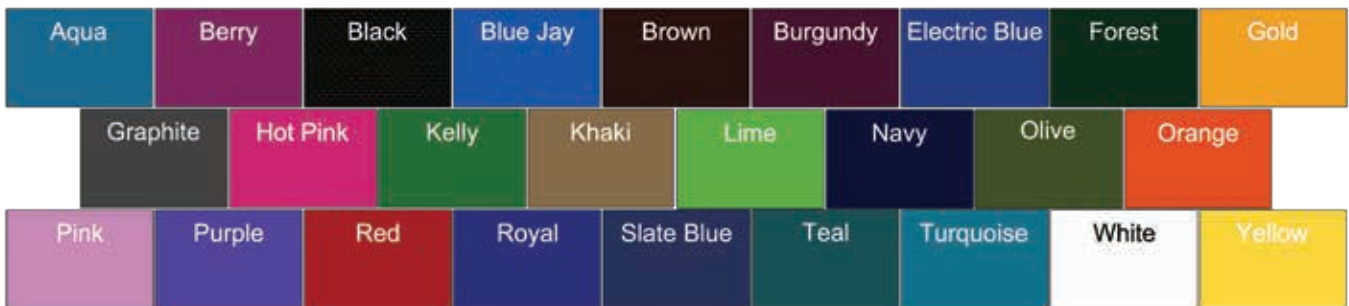

Our standard weights are Heavy weight 18 oz. canvas and Medium weight 10 oz. natural canvas. Other weights are available if needed in 15 oz., 21 oz. & 24 oz.

1680D Ballistic Nylon (Durable, Beautiful Sheen and Texture)

400D Packcloth Nylon (Brilliant Colors, Soft Sheen and Economical)

Vintage Leatherette (Quality Upholstery Grade, Look and Feel of Leather)

Waxed Canvas (Water Repellant, Great for Outdoor Use, Rustic Look)

Pebblegrain Colors (Sueded Vinyl)

Leather Colors (Top Grain)

Other Fabric Options Include: 1000D nylon, tweed, plaid, polycotton, camouflage, outdoor fabric, specialty color leatherettes, custom woven fabric, plus more.
